

Contract # CNR01503

Contract Name: Commercial and Residential Relocation Management, Facilities, Storage and Logistic Services

UniGroup has been providing stress-free moving, transportation, and relocation services across the globe for over 60 years. Their proud tradition of quality, stability, and longevity has established UniGroup as a leader in the industry.

E&I members have access to UniGroup's heritage brands Mayflower, United Van Lines, and Armstrong. In addition to residential and household goods relocation, this agreement also includes UniGroup's comprehensive catalog of services, which includes domestic and international relocation.

UniGroup Contract Highlights:

- Comprehensive move coordination & relocation services: household goods and auto transportation, home sale/purchase real estate referral program, short term storage and/or temporary living solutions, DIY or lump sum management, settling-in services
- Custom international moving services: personal move consultation, customs clearance management, global property protection
- Small move solutions with Snapmoves™: exclusive-use containers, convenient, fast quotes, simplified pricing, guaranteed move dates, fast, reliable shipment times
- Moving quotes through the Virtual Survey app: accurate estimates completed through video chat, easier, faster way to get moving quotes, convenient scheduling, no in-person appointments.
